

MATTERhouse

📍 17937 Equinox Ave, Farmington, MN 55024

🛏 4 Beds, 🚿 2.5 Baths, 🏠 2,430 sq ft

A Home That Matters

The Community Cares MATTERhouse is an opportunity for tradespeople, subcontractors and suppliers to leverage their skills and resources. By donating labor and/or materials, they bring down the building cost of the MATTERhouse. When it is sold, the proceeds are donated to two Twin Cities non-profit organizations who are helping people who lack access to healthy food. Thousands of people will be positively impacted by the construction and sale of this house. Will you consider participating?
