JOIN US

Boasting one of the Seven Wonders of the World – the majestic Victoria Falls – and home to an abundance of wildlife, including Africa’s “Big 5” – buffalo, elephant, leopard, lion and rhino – Zimbabwe is a country of untamed beauty.

Join us as we explore this amazing country and visit some of the projects MATTER and our partners are engaged in to improve healthcare for the people of Zimbabwe. We’ll tour MATTER hospitals, schools and farm projects in addition to visiting the awe-inspiring Victoria Falls, staying at the luxurious Verneys Safari Camp in Hwange National Park.
